

NCPDP Foundation Announces Grant Proposal Opportunity

Deadline to Submit is October 15, 2021

The NCPDP Foundation is seeking to fund more research projects that demonstrate the value of NCPDP standards in supporting patient safety, access to care and the expanded role of pharmacists, providing up-to-date information for improved clinical decision making at the point of care and improving the patient experience. The Foundation has increased both the number and the dollar amount of grants being awarded in the past couple of years.

Together, we can make a difference in healthcare. Submit a grant proposal.

Projects Must Align with These Strategic Initiatives

The NCPDP Foundation has three strategic initiatives and research projects must benefit one or more of these initiatives to be considered for funding.

- Increasing the Role and Value of Pharmacists
- Increasing Patient Access to Care
- Enhancing Patient Safety

Projects Must Utilize and Demonstrate Value of NCPDP Standards

Another essential criteria is that a project must seek to demonstrate how one or more, existing or future NCPDP Standards supports one or more of the Foundation's strategic initiatives and improves interoperability.

Areas of Particular Interest

Current priorities and projects that would support one or more of the strategic initiatives include:

- Demonstrating the value of the Specialty Enrollment Standard
- Demonstrating the value of the RxChange message in the SCRIPT Standard
- Showing how NCPDP Standards support any of the following:
 - NCPDP National Facilitator Model
 - Value-Based Arrangements
 - Pharmacogenomics and Precision Medicine
 - Digital Therapy

While these areas are currently of particular interest to the Foundation, other projects that meet the essential criteria are also welcome and will be evaluated.

To submit a proposal, please complete the [request for funding form](#) and email the completed form, along with any supplemental material, to kkelly@ncdpd.org or send via mail to Kessa Kelly, NCPDP Foundation,

9240 E. Raintree Drive, Scottsdale, AZ, 85260. **Grant proposals must be received via email or postmarked by 12:00 p.m. PDT on October 15, 2021.**
